

Detergent ML-40

A general purpose detergent for cleaning and mild degreasing. Developed for the commercial hair-on tanning industry. Very stable with electrolytes. It can be used in the rehydration, pickle, and/or tan.

Bring product to room temperature and mix well. Wear splash proof goggles, and disposable rubber gloves to prevent any eye or skin irritation.

Activity: 39-43%

Recommended use:

- For Cleaning, use 1/8 oz. – 1/4 oz. per gallon of solution in a rehydration and/or pickle solution
- For Degreasing skins such as bear, beaver, muskrat, pigs and similar skins, the amount of **Detergent ML-40** can be increased by much as 2 oz. per gallon of solution.
- For Greasy Skins, rehydrate skin as best as possible and then drain. Using a brush, apply an application of undiluted **Detergent ML-40**. Fold the skin flesh side to flesh side for a minimum of 6 hours. Then place skin back into the degreasing bath.

Note: Do not place a hide in hot water. This can loosen the hair and cause bacteria growth.

Precautionary Statements: Do not get in eyes, on skin or on clothing.

Hazard statements: Causes eye irritation and may irritate skin causing dryness. *If in Eyes:* Rinse with water for several minutes. Remove contact lenses if present and easy to do. *If on Skin and Clothing:* Wash skin immediately with soap and water. Remove and wash contaminated clothing. If skin or eye irritation persists, get medical attention. Store product closed in original container in a cool, dry area. Keep out of the reach of children.

Disclaimer: Being that skins are natural materials, susceptible to varying degrees of putrefaction, natural defects, disease, mishandling, experience of the user, and used under conditions beyond our control, as seller, we make no guarantee or warranty expressed or implied as to the use of this product. All information contained here is accurate to the best of our knowledge and good faith and is based upon thorough testing.
