

## Drumming Oil SOL

A very light tanning oil developed specifically for drumming skins. Helps add extra softness especially to the nose, lips, eye and ear areas. It can be brushed or sprayed on and/or added to the sawdust.

Bring product to room temperature and mix well. Wear splash proof goggles, and disposable rubber gloves to prevent any eye or skin irritation.

Activity: 95-98%

Weight: Approx. 6.9 lbs per gallon

Charge: Multi-charged

### Recommended use:

#### Brushing or Spraying Method:

After the skin has dried and prior to drumming, brush or spray an application of **Drumming Oil SOL** on the leather side, especially on the nose, lips, eyes and ears. Allow to soak in for 30 minutes before drumming.

#### Sawdust Method:

Add 1 cup of **Drumming Oil SOL** to every 50 pounds of sawdust. It is suggested to brush or spray the nose, lips, eyes, and ears with the **Drumming Oil SOL** first even when using this method.

**NOTE:** If using the Spraying Method, wear a mask or respirator to avoid inhalation of the oil.

**Precautionary Statements:** Do not get in eyes, on skin or on clothing.

**Hazard statements:** Causes eye irritation and may irritate skin causing dryness. *If in Eyes:* Rinse with water for several minutes. Remove contact lenses if present and easy to do. *If on Skin and*

*Clothing:* Wash skin immediately with soap and water. Remove and wash contaminated clothing. If skin or eye irritation persists, get medical attention. Store product closed in original container in a cool, dry area. Keep out of the reach of children.

**CAUTION:** Product contains petroleum distillates. Could be harmful or fatal if swallowed.

**COMBUSTIBLE:** Store closed in original container away from heat or open flame. Do not smoke when using this product or near open flame.

**NOTE:** Used rags should be wetted with water and placed in a plastic bag prior to disposing.

**Disclaimer:** Being that skins are natural materials, susceptible to varying degrees of putrefaction, natural defects, disease, mishandling, experience of the user, and used under conditions beyond our control, as seller, we make no guarantee or warranty expressed or implied as to the use of this product. All information contained here is accurate to the best of our knowledge and good faith and is based upon thorough testing.
