

## Easy Shave Concentrate

A concentrated formula to make shaving hides and skins smoother and easier.

- Helps to add softness to the leather
- Compatible with all tanning agents
- Cost effective
- Works at a wide pH range
- Aids in penetration of the pickle solution
- No pH adjustment necessary

Bring product to room temperature and mix well. Wear splash proof goggles, and disposable rubber gloves to prevent any eye or skin irritation.

### Directions and Recommended use:

Add 2-3 ounces of Easy Shave to every 10 gallons of mixed pickle solution. It's that easy!

**Note:** Do not place a hide in hot water. This can loosen the hair and cause bacteria growth.

**Precautionary Statements:** Do not get in eyes, on skin or on clothing.

**Hazard statements:** Causes eye irritation and may irritate skin causing dryness. *If in Eyes:* Rinse with water for several minutes. Remove contact lenses if present and easy to do. *If on Skin and Clothing:* Wash skin immediately with soap and water. Remove and wash contaminated clothing. If skin or eye irritation persists, get medical attention. Store product closed in original container in a cool, dry area. Keep out of the reach of children.

**Disclaimer:** Being that skins are natural materials, susceptible to varying degrees of putrefaction, natural defects, disease, mishandling, experience of the user, and used under conditions beyond our control, as seller, we make no guarantee or warranty expressed or implied as to the use of this product. All information contained here is accurate to the best of our knowledge and good faith and is based upon thorough testing.
