

Washing Deodorizer Concentrate

A concentrated aqueous deodorizer/cleaner that can be used in the pickle, tan or rehydration bath. Kills and masks foul odors. Leaves a pleasant smell on the hide and skin.

Bring product to room temperature and mix well. Wear splash proof goggles, and disposable rubber gloves to prevent any eye or skin irritation.

Directions and Recommended use:

Add ½ -1 ounce of Washing Deodorizer Concentrate to each gallon of mixed solution. Allow the skin to soak for a minimum of 20 minutes. Periodically agitate. No rinsing necessary.

Precautionary Statements: Do not get in eyes, on skin or on clothing.

Hazard statements: Causes eye irritation and may irritate skin causing dryness. *If in Eyes:* Rinse with water for several minutes. Remove contact lenses if present and easy to do. *If on*

Skin and Clothing: Wash skin immediately with soap and water. Remove and wash contaminated clothing. If skin or eye irritation persists, get medical attention. Store product closed in original container in a cool, dry area. Keep out of the reach of children.

Disclaimer: Being that hides and skins are natural materials, susceptible to varying degrees of putrefication, natural defects, disease, mishandling, experience of the user, and used under conditions beyond our control, as seller, we make no guarantee or warranty expressed or implied as to the use of this product. All information contained here is accurate to the best of our knowledge and good faith and is based upon thorough testing.
